## Gifts of Stock & Securities

Donor security transfers are made in one of three ways:

- Electronically (DTC)
- Physical Certificate—Donor's Name
- Physical Certificate—Adventist Health Bakersfield Foundation

Note: One of the following procedures must be used for each and every marketable security transfer (stocks, bonds, mutual funds). Following the procedures identified below will ensure that proper credit is given to the donor.

### Electronic transfer (DTC)

To transfer securities held in a brokerage account, the donor should instruct their broker to transfer the securities to the following Foundation account:

Participant DTC #2925  
Agent Bank ID #78861  
Principal Account # 14054037, Adventist Health Working  
Capital - General Purpose

Upon Completion of the DTC, please

1. Request broker send confirmation of transfer to the AH Bakersfield Foundation. The confirmation should indicate the donor's name, the security being transferred, the Foundation account which should be used, and the date of transfer.
2. Complete this form and send to the AH Bakersfield Foundation so that gifts can be properly credited.

### Physical Certificate—Donor's Name

Donors wishing to give securities that are held in physical form (e.g., stock certificates) and are registered in their names, donors should mail either (1) an endorsed security certificate(s) or (2) an unendorsed security certificate(s) with a signed stock power in separate envelopes to the Foundation. Along with physical documents, please include a letter authorizing the shares to be transferred and deposited to an AH Bakersfield Foundation account. The letter should accompany this completed form so that the gift can be properly credited.

### Physical Certificate—Naming the AH Bakersfield Foundation

Donors may elect to re-register their physical form securities into the AH Bakersfield Foundation's name before sending them to the Foundation.
